ROLLUP

BANNER DISPLAY

This simple display system is an ideal way of advertising for any function. They are light weight, easy to transport and simple to assemble. As you can see the banner simply rolls back down into an aluminium base. Supplied with a black nylon bag with a shoulder strap and a handle for ease of transport.

The display system is very adaptable, place two or more side by side to achieve a large backdrop or indeed as individual signs to display multi images.

The major advantage to this system is that you can easily change the banner replacing it with a new image banner.

- STYLISH
- ULTRA LIGHT WEIGHT
- ASSEMBLE IN SECONDS
